

CORPORATE CONCLAVE on the theme "Transformation towards Excellence"

- An opportunity to Expand and Update knowledge

12 CPE HOURS

Chartered Accountants are the heart and soul of business operations. They are the people who can help the industry and the economies to turn around. Chartered Accountants at different positions within the organizations take critical challenges that are routinely faced by organizations head-on. They also play key roles in the corporate world and steer the organizations as their CEOs and CFOs. Naturally, in the new setting the role of different functional areas including finance have also changed tremendously. Chartered Accountants as accounting and finance professionals have to closely work with their counterparts in marketing, production and other functional areas. With their knowledge and skills, they easily understand the nitty-gritty of overall organization. They quickly rise in the corporate ladder and acquire prominent positions.

The profession of Chartered Accountancy has always provided the CAs with lucrative opportunities for their professional growth. With the ever mounting complexities of the Corporate world, the importance of the Chartered Accountants has reached new heights. The contribution of our Institute cannot be overlooked in imparting world class knowledge to its members and improvising their skills to such an extent that they are now being recognized as 'Complete Business Solution Providers' not only in our nation but throughout the world.

The Corporate Conclave is a two days National Convention being organized on 31st January, 2015 and 1st February, 2015. This Convention focuses on various important topics that are of practical relevance to the members of the Institute and will be beneficial in keeping them updated in this dynamic environment.
