Message

The Institute of Chartered Accountants of India (ICAI) had introduced ICAI Awards way back in the year 2007 to acknowledge the members who have proven the spirit of excellence in Chartered Accountancy profession in India. The ICAI, through its Committee for Members in Industry & Business (CMI&B) is organising these awards for past 12 consecutive years to honour the exemplary work of Chartered Accountants in their respective fields.

Appreciating the fact that "Recognition is the fundamental need of humans", these awards are organised to acknowledge the outstanding achievements of the members who have reached exceptional levels of professional attainments and are committed toward their goals.

As rightly said by our Past President Dr. A. P. J. Abdul Kalam "If four things are followed - having a great aim, acquiring knowledge, hard work and perseverance - then anything can be achieved". ICAI Awards are conceded to the members who possess excellent skills, dedication, enthusiasm, leadership, and ability to focus all their energy in building the new ways, going ahead of the benchmarks and striving towards perfection.

I am pleased to note that the CMI&B of ICAI is organizing 13th ICAI Awards ceremony on 14th January, 2020 at Hotel Sahara Star, Mumbai along with the Leadership Summit 2020, which will bring together eminent professionals across the world under one roof, deliberating on topics of contemporary relevance and providing useful insights around the theme "Leading in Dynamic Times".

The summit shall be a colloquium of eminent personalities who shall discuss, enlighten and enrich the knowledge of the delegates on topics viz., CFO: Accelerating growth through Leadership in the times of digitalisation and skills revolution, 2020 CFO – From Accounting, Accountability & Ethics to Robotics, Automating the Finance Function, Trade war to Data war and Digital disruption – Opportunities and Risks.

Members are invited to nominate themselves for 13th ICAI Awards and I am sure that their participation in the Leadership Summit 2020 shall be a rewarding experience for all the stakeholders.
